

## ANNOUNCEMENT TO ALL CORPORAM/MEDICAM CUSTOMERS...

Corporam / Medicam is proud to announce that Inter-City Medical, a subsidiary of the Inter-City Group, a Canadian leader in the healthcare domain through its division Hôpital has acquired the company's database of customers and will be resuming the Canadian manufacturing and distribution operations of the Medicam brand of products in its 20,000 sq<sup>2</sup> Montreal facility.

**FREE CLEANING** - As a limited time offer, all Corporam / Medicam customers are eligible for a free cleaning of their Medicam units. All that is required is to simply respond to this email and request a "Preventive Maintenance Service Pak" to be performed on their unit and include the following information: Company Name, Address, Phone Number and Model to be serviced. Further, Inter-City Medical will as of today provide every customer with the service or accessories needed on their units at the wholesale price for a limited time.

**MEDICAM QUALITY** - Medicam is and has always been a renowned and a reputable brand in the Medical and Aesthetic industries as the construction of its units are made of very high grade electronic components and are extremely reliable and high-performing.

**THE INTER-CITY GROUP** - Has been in business for over 60 years and proudly serviced its clientele in many different technology markets such as, Healthcare Infotainment and Healthcare Educational Media, Video Broadcast and Security systems, Video Conferencing, Office Equipment and Healthcare Software solutions. Its expertise and extensive knowledge in the medical market provided it the know-how and synergies to afford Inter-City Medical to effectively take over, resume where Medicam left off some years ago, provide its clientele with superior service and support and extensively expand Corporam / Medicam sales and customer service activities and open new divisions worldwide through an wide-ranging distribution channel in addition to targeting new markets and introducing new technologies such as: Diode Lasers, Cryolipolysis units, CO2 fractional laser machine and a lot more.

Inter-city Medical will also provide its Medicam product line accessible to all clientele through a pure "Medicam Rental Program" which can be cancelled at anytime without penalty along with its unique lifetime warranty, optional insurance and accessories coverages. Inter-City Medical is also planning to assist anyone willing to open a franchise through its unique "Medicam All in One Business Model."
